

## DECLARATION OF UNDERSTANDING AND ACTIVITY

I,....., here fore EXPRESS MY WILLING DESIRE of taking part in the DISCOVER SCUBA DIVING (DSD) activity.

I UNDERSTAND that this is an activity of risk and that I must follow the instructions given by the instructor at every moment, not only for my own safety but the safety of the rest of the people involved in the activity (divers and instructors).

I UNDERSTAND that this is only a diving trial, and no certification or qualification to dive in the future will be obtained at the end of it. To obtain a certification or qualification allowing me to dive on my own in the future, I would need to take part in a specific diving course.

I UNDERSTAND that this activity (DSD) has a cost of .....Euros, and that once it has been started there is no option of devolution of the cost, neither total nor partial. I understand that the activity starts with the theoretical class that took part in Mojacar, at.....hours, on .....of.....of 20... .

I UNDERSTAND:

That this activity is composed by a theoretical class where all the basic principles and norms that I must understand, respect and apply before the dive, including the explanation of fundamental driving exercises to carry this activity are explained to me by the instructor(s).

That after this theoretical class, I must be able to do the exercises previously explained at a short depth for my own safety before I can proceed to the immersion. If I shall not be able to do these exercises I WILL NOT BE ALLOWED to carry on with the activity, and I will remain on the boat until it is over, under my own responsibility.

For the carrying of the exercises before the instructors determine that I will not be able to continue the activity I will have 2/3 attempts maximum, for this is a collective activity and I could put to risk the rest of the group's safety.

That my instructor(s) can get me out of the water and stop the activity if they think that my behavior can put me or anyone in the group in danger.

That the diving experience has a lasting time of approximately 30 minutes, as long as all the safety measures are respected. The instructors CAN suspend the activity if these are not respected.

Hereby, I sign this document on.....of.....of 20... .
